ANNUAL SECURITY REPORT, POLICIES AND SECURITY PROCEDURES

(* *Section 486(e)* Higher Education Act of 1998 and the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (*485 (f), Higher Education Act, 1965*) and (*VAWA Reauthorization Act of 2013-Publ Law 113-4 eff. 7/1/16*)

2020-2021

International Academy has designated Mrs. Annette Dejournett, General Manager, as the contact person for reporting any problems relating to on campus security issues and the reporting of crimes. Also Mrs. Dejournett is the designated Title IX administrator as required under Title IX of the Education Amendments of 1972.

International Academy does not have on-campus housing, nor does the Academy participate in any outside collegiate athletic activities or have non-campus facilities/ remote classrooms. International Academy has a zero tolerance for any offense mentioned in this report.

Security Policies and Security Procedures

If I see a crime happening or I'm a victim of a crime what do I do?

1. International Academy, encourages students and/or employees to promptly report any criminal activity or actions on campus with regards to murder, manslaughter, sexual offenses (*forcible or non-forcible*), robbery, aggravated assault, burglary, unlawful entry, motor vehicle theft, arson, hate crimes, stalking, domestic violence, dating violence, liquor law violations, drug law violations and illegal weapons

possession, to the designated individual mentioned above. Mrs. Dejournett will assist the student and/or employee in reporting the incident to state or local police authorities and keep an internal report log.

2. Since the institution does not have private campus based security personnel, International Academy, refers all campus law enforcement issues to state (*Florida Highway Patrol - 1-800-226-5350*) or local police authorities, (*Volusia County Sheriff - 386-248-1777 or City of South Daytona Police Dept. - non-emergency 322-3030 or emergency 911*), whichever is appropriate.

How can I learn about campus safety?

1. Always be aware of what is going on around you. Your eyes and ears are your best prevention. International Academy staff encourages students attending on the nighttime schedule to leave the building in groups and to not linger in the parking lot alone after dark. It's the Academy's policy that no staff member closes and leaves the school at night while students are still on the premises (*i.e., in the classrooms or parking area*).
2. The Academy has South Daytona Police Department representatives visit our school, upon request, to address the student and employee assembly in safety and security procedures and crime watch programs for both themselves, and our institution.
3. International Academy has formally requested that South Daytona Police Department notify this institution of criminal activity that may have been engaged in by this institution's students at off-campus locations. Should notification of this type be received, and the criminal activity is perceived to be an immediate threat to the student body, notification will be made through our Emergency Response Notification System via cell text and website. The Emergency Response Notification System is tested at least once annually.
4. For the safety of the campus all classrooms have phone systems with availability to call 911 should an ambulance or the police be needed. Both buildings have complete fire, sprinkler and burglary alarm systems in place in the event of an emergency. Should one of these types of emergencies take place please follow your instructor's directions in a calm and orderly manner. If the emergency requires you to exit the building do so quickly and calmly. If the emergency is weather related, please remain inside, and if necessary, seek immediate shelter in interior hallways away from glass windows, doors and mirrors. If prior weather alerts are available notification will come via the school's intercom system.

What do I do if a hostile intruder situation occurs on campus?

When hostile person(s) is actively causing deadly harm or the imminent threat of deadly harm is on the campus, we recommend the following:

1. All classrooms can be locked down from the inside, lock yourself in the room you are in at the time of the threat.
2. If communication is available, call 911, and then call the schools front reception (*767-4600 ext. 221*) if it can be done safely.
3. Do not stay in open hallways.
4. Do not sound the fire alarm. A fire alarm would signal the occupants in the rooms to evacuate the building and thus place them in potential harm as they attempted to exit.
5. Barricade yourself in the room with furniture or anything you can push against the door.
6. Close the blinds or curtains if available. Stay away from windows.
7. Turn all lights and audio equipment off.
8. Try to stay calm and be as quiet as possible.
9. If you are caught in an open area such as a hallway or lounge-type area, you must decide what course of action to take:
 - a. You can try to hide, but make sure it is a well-hidden space or you may be found as the intruder moves through the building looking for victims.
 - b. If you decide to run, do not run in a straight line. Keep as many objects as possible between you and the hostile person(s) (*i.e., doors, columns, trees, cars etc.*).
 - c. If the person(s) is causing death or serious physical injury to others and you are unable to run or hide, you may choose to play dead if other victims are around you.
 - d. The last option you have if caught in an open area may be to fight back. This will be a dangerous choice, but it may be your best option.
 - e. If you are caught by the intruder, and make the decision not to fight back, then follow their directions as calmly as possible and do not look them directly in the eyes.

- f. Once police arrive, follow all of their commands. This may involve being handcuffed until the police have the situation completely under control.

Does the Academy have a Drug and Alcohol Abuse Policy?

1. International Academy has a written "Drug and Alcohol Abuse Policy" that states the following: "International Academy has a zero tolerance for drug and alcohol abuse on campus. Campus is defined as buildings or parking lot. Any student or staff caught under the influence, or with drug paraphernalia will be subject to termination. International Academy has Drug and Alcohol Abuse Prevention Program information and organizations available for any student and/or staff member who should have a need. Administration is available to any student/staff member, if a problem exists and all conferences will be kept confidential. See Admissions or Administration for complete Drug and Alcohol Abuse Policy and agency information.' This policy applies equally to all students and employees of the Academy. All students read and sign the policy during their enrollment period and the policy is covered again during Orientation, prior to starting classes. As stated in the written policy it is against school regulations for any student or employee (*including a minor*) to possess or sell alcoholic beverages or illegal drugs on the school campus. (*Campus is defined as all buildings and adjacent parking areas.*) Violation of the drug and alcohol abuse policy will result in a student's and/or employee's immediate termination and federal, state or local police authorities being notified to properly handle the situation.
2. The Alcohol and Drug Abuse Crisis Intervention number is 800-234-0246 and the Alcohol and Drug Abuse 24-hour Hotline & Treatment number is 800-378-4435. Should a student or employee require additional related materials, information or need educational programs regarding alcohol and drug abuse you are encouraged to contact the administrative offices for assistance. Pamphlets are available with treatment facility information.

What if I am a victim of sexual assault?

1. If a rape does occur on campus, it is important for you to preserve evidence for proof of a criminal offense. The individual should not bath or wash or discard any items of clothing that the assailant came in contact with until the authorities have been notified.
2. In the event that a sexual assault (*rape*), acquaintance rape, dating violence and/or other forcible and non-forcible sex offenses should occur on campus, the individual should report it immediately to Mrs. Dejournett, either by contacting her in the administrative offices (386-767-4600 ext. 223) or by asking a staff member to contact her at home. She will take immediate steps to see that the offense is reported to the correct authorities, if requested by the student and/or employee, and since the school does not have available on-campus counseling, mental health or other student services for victims of sex offenses, they will be encouraged to contact the Rape Crisis and Sexual Abuse Hotline at 386-258-7273, or 800-940-7273 if needed.

What are my options if the sexual offense is student on student, or student and/or employee?

Any sexual offense occurring between students and/or employees or both, will result in:

1. Discussing the options available for changing a victim's academic situation after the alleged sex offense, if charges are requested by the victim, and
2. The school will implement disciplinary actions in cases of an alleged sex offense after a disciplinary proceeding. Both the accuser and the accused will be entitled to the same opportunities to have others present during a disciplinary proceeding and both will be informed of the school's final determination in any school disciplinary proceeding with respect to the alleged sex offense and any sanction that is imposed against the accused.

What if I am a victim of Domestic Violence?

1. Domestic Violence or Domestic Abuse is more than just an occurrence of a physical offense. The Domestic Abuse Council states: if your partner isolates you, calls you names, humiliates or embarrasses you, hits, slaps, shoves, kicks or bites you, threatens to hurt you, your family, pets or friends, behaves in ways that feel abusive to you...Then you are not alone! Anyone (*married or not*) involved in a domestically abusive situation should contact the 24-hour Crisis Hotline 386-255-2102, 386-738-4080 or 800-500-1119 and seek help immediately. If it occurs on campus, the individual should report it immediately to Mrs. Dejournett, by contacting her in the administrative offices (386-767-4600 ext. 223) or if it occurs off campus, then it should be reported to the nearest law enforcement authority. State (*Florida Highway Patrol - 1-800-226-5350*) or local police authorities, (*Volusia County Sheriff - 386-248-1777 or City of South Daytona Police Dept. non-emergency 322-3030*) or by dialing emergency 911, whichever is appropriate.

GRADING SYSTEM

Theory, Practical and Clinic work are all of equal value. After each unit you will be given a test for that unit. All your practical work on mannequins is graded as Pass/Fail and all practical exams are graded on a point system (*see below*) which must be passed with a minimum score of 80%. Each service you perform on the clinic floor is checked and graded as Pass/Fail. Final practical and theory exams must be passed with a minimum 80% before considered successfully completing the program and graduating. You will receive a training progress report as described in our satisfactory progress policy at least once by mid-point of your program. Our grading point system is as follows:

100% - 94%	-	A	-	Excellent
93% - 88%	-	B	-	Good
87% - 80%	-	C	-	Satisfactory
79% - 72%	-	D	-	Unsatisfactory
Less than 71%	-	F	-	Failing

You must maintain a "C" (80%) average in all areas of study to complete the program, and to be considered making satisfactory progress.

SATISFACTORY ACADEMIC PROGRESS POLICY (SAP)

Satisfactory progress in attendance and academic work is a requirement for all students enrolled at the school, both title IV and non-title IV. **NOTE: Students receiving funds under any Federal Title IV Financial Aid Program must maintain satisfactory progress in order to continue eligibility for such funds.** The policy complies with the guidelines established by NACCAS and the federal regulations established by the U.S. Dept. of Education and is applied consistently to all students enrolled (*full or part time*) in their specific program. Students receive a copy of the policy before enrollment via Catalog and Consumer Handbook.

ACADEMIC PROGRESS EVALUATIONS

The following factors will be used to measure and determine **academic progress on a cumulative basis:**

- Theory work (*test grades, workbooks, homework, etc.*)
- Practical work (*hands on mannequin, clinic/live models*) (*At least 2 comprehensive practical skills evaluations will be considered during the course of study*)

Theory and Practical numerical grades are considered according to the following scale:

100% - 94%	-	A	-	Excellent
93% - 88%	-	B	-	Good
87% - 80%	-	C	-	Satisfactory
79% - 72%	-	D	-	Unsatisfactory
Less than 71%	-	F	-	Failing

Students must maintain a **“C” grade average** (*in the above listed areas*), in order to be considered making progress. Any tests missed or failed, must be made up. All Theory exams and Practical exams must be passed with a minimum 80% or the exam must be retaken.

HOW DETERMINATION OF PROGRESS IS ASSESSED

Formal evaluations of progress will be conducted by the School’s Administrative Staff when a student reaches their programs pre-set evaluation periods. The first evaluation will occur no later than the mid-point of the academic year or contracted program hours, whichever occurs first. Evaluation periods are based on actual hours. For Cosmetology/Barber students it will be at 450, 900, and 1200 hours. For Nail Technician students it will be at 120 and 240 hours. For Skin Care, Hair Removal and Spa Training students it will be at 155 and 310 hours. For Full Specialty students it will be at 375 and 750 hours. For Massage Therapy ~~and Restricted Barber~~ students it will be at 300 and 600 hours. For Spa Specialist students it will be at 450 and 910 hours.

Each student is provided with a minimum of two written Evaluations of Progress Reports during their program period. The Evaluation of Progress Report will measure performance in academics based on grades received and will show their attendance progress based on their percentage of cumulative actual hours to scheduled hours. NOTE: Students may receive an informal report card on a monthly basis that shows academic and attendance progress. An informal report card is not a formal satisfactory academic progress report.

ESTABLISHING SATISFACTORY PROGRESS

During a student's pre-set program evaluation period the student must meet the minimum of an 80% average in academic work and a minimum of 67% actual hour attendance to scheduled hours. SAP Evaluation periods for all programs are based on a 900-academic year. Satisfactory Academic Progress is established on a formal Evaluation of Progress Reports in accordance with the following chart:

Cosmetology/Barber Students Scheduled Hours	450	900	1200
Minimum Actual Hours Required (67% of Scheduled Hours)	302	603	804
Restricted Barber and Massage Therapy Students Scheduled Hours	300		600
Minimum Actual Hours Required (67% of Scheduled Hours)	201		402
Skin Care, Hair Removal and Spa Training Students Scheduled Hours	155		310
Minimum Actual Hours Required (67% of Scheduled Hours)	104		208
Nail Technician Students Scheduled Hours	120		240
Minimum Actual Hours Required (67% of Scheduled Hours)	80		160
Spa Specialist Students Scheduled Hours	450		910
Minimum Actual Hours Required (67% of Scheduled Hours)	302		610
Full Specialty Students Scheduled Hours	375		750
Minimum Actual Hours Required (67% of Scheduled Hours)	252		503

DETERMINATION OF PROGRESS STATUS

In order for a student to be considered making satisfactory progress as of program mid-point, and/ or the end of the payment period/evaluation period, the student must meet both attendance and academic minimum requirements and will be considered making satisfactory progress until the next scheduled evaluation. Students failing to meet minimum progress requirements at an evaluation period may be placed on Warning with the opportunity to meet minimum requirements at their next scheduled evaluation period. Students failing two consecutive evaluation periods will be given the opportunity to appeal the negative progress determination and be placed on Probation. Students who fail to meet minimum standards are no longer eligible for Title IV HEA program funds, if applicable, unless the student is on warning or has prevailed upon appeal of the determination that has resulted in the status of probation.

WARNING

During Warning, students are considered to be making satisfactory progress and financial aid funds will be disbursed to eligible students. At the end of the Warning period the student's progress will be re-evaluated. If

the student is meeting minimum requirements, he/she will be removed from Warning status. Any student failing to meet minimum satisfactory progress for the second consecutive evaluation period will be given the opportunity to appeal the negative progress determination. (*See Appeal Process below*).

APPEAL PROCESS (as it pertains to academic and attendance progress)

Students who have been placed on Warning and have failed to achieve minimum requirements, may appeal this negative progress determination, requesting the decision to terminate the students Title IV funding should be reversed. The student must submit a written appeal to the Administrative Offices, along with any supporting documentation as to why they failed to make satisfactory academic progress (*i.e.; death of a relative; an injury, illness of the student or other allowable circumstances*) and what has changed in the student's situation that will allow the achievement of satisfactory progress at the next evaluation. The student needs to provide sufficient evidence as to why the attendance was below satisfactory level and how it has changed and will stay changed in order to finish within the 150% time frame of the program or how they will improve their academic GPA.

This appeal must be received in the Administrative Offices within five (5) business days of the end of the Warning evaluation period. An appeal hearing will take place within five (5) business days of receipt of the written appeal. This hearing will be attended by the student, parents/guardian (*if student is a dependent minor*), the student's instructor, and a school Administrative Staff Member. A decision on the student's appeal will be made within three (3) business days by the attending Administrative Staff Member and will be communicated to the student in writing. This decision will be final. All results, communications, etc., regarding this Appeal will become a permanent part of the students file. Should a student prevail upon his/her appeal, the student Title IV funding will be automatically re-instated.

Should a student fail to appeal, or the appeal is denied, the student's loss of funding will stand. If a student loses his/her appeal and they are a Title IV eligible student, it will result in a loss of their aid. These steps apply to both Title IV or Pay Your Own Way students: To continue with their program, **1)** other financial arrangements will need to be made if there is an outstanding account balance; **2)** If no arrangements can be made then the student may need to terminate from their program, or **3)** in the case of a zero account balance, then the school develops an academic plan for the student that, if followed, will ensure that the student is able to complete the institution's requirements by a specific point within the maximum time frame established for the individual student.

PROBATION

A Student will be placed on Probation and Title IV funds will be reinstated, if applicable, only if the institution determines that satisfactory academic progress was not made during the warning or previous evaluation period, satisfactory academic standards can be met by the end of the subsequent evaluation period (may include a written plan on how to improve their academic progress and be able to complete their program within the maximum time frame), and the student has prevailed upon appeal. Each warning and probation period are the length of that student's program's pre-set evaluation period.

LEAVE OF ABSENCE (LOA) POLICY

Students may be granted an authorized temporary interruption (Leave of Absence) of their program when they are unable to attend their regular schedule. A leave of absence may only be granted for medical reasons. These include but are not limited to injury, car accident, medical problems, etc. Any other type of leave will not be accepted and will result in a schedule shift or termination from school. In order to request a leave of absence, students must follow the institution's policy.

The request must be made in writing and submitted in advance of the leave of absence. It must include the reason for the leave, length of requested time off, and signed and dated by the student. Students must also provide documentation which clearly supports the reason for the leave such as a doctor's note or letter. A LOA may be granted to students who did not submit the request in advance due to unforeseen circumstances such as medical emergency or car accident. In these situations, the institution will document the reason for its decision and collect the formal request from the student at a later date. The institution will establish the start date of the approved LOA as the first day the student was unable to attend due to the medical emergency.

The maximum time limit for a student taking a leave of absence is 180 days in any 12-month period. The institution will not grant a LOA, if together, with all other LOAs previously granted, they exceed a total of 180 calendar days in any 12-month period. To extend the leave of absence, the student must submit a new doctor's note or letter with the reason for extension and length of additional time requested. A grant of extension will be based on provided documentation and remaining LOA time available.

A student on an approved leave of absence is not considered to be withdrawn from school; therefore, no refund calculation will be required at that time. Additionally, students on an approved leave of absence will not be charged any additional fees as a result of the LOA. Students returning after this interruption will enter in the same progress status as when they left. A student's contract period and maximum time frame will be extended by the same number of days taken in the leave of absence. Changes to the student's contract end date will be made on the Contract Addendum form and signed by all parties.

Students granted an approved LOA who participate in Title IV HEA program funds, will not have funds credited to their account or any loan proceeds released during the leave of absence. If a student takes an unapproved leave of absence or fails to return by the expiration of an approved leave of absence, the student will be withdrawn. Since the institution is required to take attendance, the withdrawal date for the purpose of calculating a refund will be the student's last date of attendance. Should termination be the result of the leave request, then a student would be required to re-enroll. Student would re-enter in the same progress status as when they left. Students receiving Title IV loans who fail to return from their leave of absence, may experience an adverse effect on their loan repayment terms due to the time frame of the leave of absence and their repayment grace period.

Any student receiving VA Benefits who takes an approved Leave of Absence will lose their VA benefits during the length of the leave. Their VA benefits will be stopped, and VA will be notified. Upon return from the leave of absence, VA will be re-certified.

INCOMPLETES / REPETITION OR NON-CREDIT REMEDIAL COURSES

Course incompletes, repetitions and non-credit remedial courses do not apply to this institution and have no effect upon the institution's satisfactory academic progress standards.

WITHDRAWALS/RE-ENTERING

Any student who withdraws from his/her contracted program or fails to complete his/her training, will have a notice placed in their student file, as to the progress at the point of withdrawal. (*See Institutional Withdrawal, Cancellation and Refund Policy*) A student making satisfactory progress at the point of withdrawal may apply for re-enrollment at the school and will be considered to be making satisfactory progress at the point of re-entry. A student failing to meet minimum satisfactory requirements at the point of withdrawal, will enter under the same Satisfactory Academic Progress status as in place at the time the individual left and the steps of Warning, Appeal and Probation will be followed.

TRANSFER HOURS

Transfer hours from another institution that are accepted toward the student's educational program are counted as both attempted and completed hours for the purpose of determining when the allowable maximum timeframe has been exhausted. SAP evaluation periods are based on actual contracted hours at the institution.

VA PENDING PAYMENT COMPLIANCE

Effective August 1, 2019 for VA Students: In accordance with Title 38 US Code 3679 subsection (e), this school adopts the following additional provisions for any students using U.S. Department of Veterans Affairs (VA) Post 9/11 GI Bill® (GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA).) (Ch.33) or Vocational Rehabilitation & Employment (Ch. 31) benefits, while payment to the institution is pending from the VA. This school will not prevent the student's enrollment, assess a late penalty fee, require the student to secure alternative or additional funding or deny the student access to any resources (access to classes, libraries, or other institutional facilities) available to other students who have satisfied their tuition and fee bills to the institution. However, to qualify for this provision, such students may be required to produce the

VA Certificate of Eligibility (COE) by the first day of class, provide a written request to be certified, or provide additional information needed to properly certify the enrollment as described in other institutional policies.

FINANCIAL AID FOR STUDENTS

International Academy participates in Financial Aid Programs (*Title IV*) to assist students who need money to attend school. Whether a student is eligible for assistance, and how much, is determined by the need of the particular student. Each case is different. The Federal Financial Aid Programs which the school makes available are the Pell Grant, Direct Loan Program and Supplemental Educational Opportunity Grant (*SEOG*).

The Free Application for Federal Student Aid (FAFSA) is available in the Financial Aid office or can be completed on-line. The FAFSA form must be completed first, then processed via Internet by the school with the proper office listed on the form. Our Financial Aid office will assist every student that needs help with their applications.

ELIGIBILITY

In general, you are eligible for Federal Aid if you meet the following requirements:

1. You must be enrolled at least half-time.
2. You are a U.S. Citizen or an eligible non-citizen.
3. You show that you have financial need.
4. You are making satisfactory progress in your program of study (*See Satisfactory Progress Statement*).
5. You are not in default on a National Direct Student Loan (NDSL), F.F.E.L. or PLUS/SLS Loan.
6. You do not owe a refund on a Pell Grant and/or Supplemental Educational Opportunity Grant (SEOG).
7. You must sign a statement that you understand your responsibilities regarding Federal Student Aid funds and that only Loans get paid back.
8. You must sign a statement of registration status on Form 3 indicating you have registered with the Selective Service, if you are required to do so. (*Males only*)

VERIFICATION PROCESS

If an applicant is selected for verification through the central processing center, the Financial Aid office will advise the student about the verification process, have them sign the verification procedures documents and worksheets and then we will furnish them a copy. The original documents will be maintained in the student's financial aid file. After all required documents are collected and forms are signed the Verification Packet will be sent to our third-party servicer for processing. Our current third-party servicer is Financial Aid Services, Inc

FINANCIAL NEED

Federal Student Aid is awarded on the basis of financial need. Need is the difference between your cost of education and an amount you and your family are expected to contribute toward your education. A standard formula used for all applicants determines this amount, which is called the Expected Family Contribution (EFC). The information you report on your aid application is used in calculating your contribution. The amount left over after subtracting the expected contribution from your cost of education is considered your financial need.

PELL GRANTS

The student must complete the Free Application for Federal Student Aid (FAFSA). Unlike loans, grants do not have to be repaid. To determine if you are eligible, the Department of Education uses a standard formula, revised and approved every year by Congress, to evaluate the information you report when you apply for a Pell Grant. Using a formula guarantees equal treatment for all applicants.

The school will input your application and give you an award letter. After you have begun classes, the school will then receive and credit your award disbursements to your account ledger, until your school account is paid in full, and the student will receive receipts accordingly.

The school receives the student's award in two to three payments (*depending on program length*), one at the beginning of school, and the second after one-half of their academic year has been reached, or after one-half of their program hours has been reached, which ever applies. International Academy's academic year consists of 900 clock hours; however, a student must complete all of their program clock hours to graduate from this Academy. How much you actually receive depends on the following factors:

1. Your student aid index number.
2. The cost of education at your school, whether you are a full-time or half-time student.
3. How long you will be enrolled in the academic year.

FEDERAL LOAN PROGRAMS

The program that International Academy offers is the Direct Lending Program. This program enables students to borrow money from the U.S. Department of Education to meet their educational expenses. A student cannot borrow more than the estimated cost of attendance, less any other financial aid you may receive and your expected family contribution. To be eligible, the student's financial need must be evaluated. Students who do not qualify for this program should speak to the Financial Aid office about alternative funding. These loans are at a higher interest rate and repayment may begin within thirty (30) days of receiving the loan. Repayment varies with each lender. International Academy does not recommend any specific lender, nor does it make available to any student a "Preferred Lender" list.

To apply for a loan, you must first be accepted by the school, have processed a FAFSA, then, sign a master promissory note and entrance interview on the internet. 30 days after starting classes, the school will certify loan to the lender. Once the guarantee agency approval is obtained, the lender will electronically transfer funds to the school's account for disbursement to the student's tuition account.

Undergraduate first year students may borrow up to \$9,500.00 a year. There are no application deadlines for these programs. Repayment begins six (6) months after the student leaves school or drops below half-time attendance. The student is allowed at least ten (10) years to repay his/her loan. When students leave school, they must contact their lender to establish a repayment schedule. The amount of payment depends on how much the student has borrowed. The greater the amount borrowed, the higher the payments. If a student does not repay his/her loan, they will go into default, and either the guarantee agency or the Federal Government can sue to collect. Students must also be aware that taking leaves of absence from school will affect their repayment grace period.

SUPPLEMENT EDUCATIONAL OPPORTUNITY GRANT (SEOG)

The student must complete the Free Application for Federal Student Aid (FAFSA). SEOG funds are awarded to students who also demonstrate financial need. Unlike the Pell Grant Program, SEOG is not an entitlement. The school has a set amount of funds for SEOG and cannot award more funds once the allocation is used up. The school has an SEOG Disbursement policy and will select students for their award based on this policy. See our Financial Aid Department for further information. NOTE: All financial aid will be applied first against school charges; and, any excess will subsequently be paid to the student.

REFUNDS DUE TO TITLE IV PROGRAMS

The school will determine the amount of a refund in accordance with Federal Regulation, Return of Title IV Funds (FSA) also referred to as R2T4 calculation. After the school has determined the amount of the refund which must be returned, the school will first return all sums to the Federal Loan Program (*Unsub, Sub, Plus*), then the Pell Grant Programs and finally the S.E.O.G. Programs. NOTE: A student needs to understand that if he or she withdraws from school, school charges that were previously paid by FSA funds might become a debt that the student will be responsible for paying under the Institutional Withdrawal ,Cancellation and Refund Policy. This refund policy applies to both official and unofficial withdrawals.

Students who enrolled in a program, and who received Federal Title IV (FSA) assistance, are subject to a special withdrawal policy or Return of Title IV Funds when they terminate from school or are terminated from school, as per current Federal Regulations. Federal Aid is based on a programs' payment period. When a student terminates from school, the school must determine what aid the school is entitled to retain by determining what percentage of aid the student earned.

This calculation is based on:

- 1) In which payment period did the student terminate from school, and
- 2) The number of hours that were scheduled to have been completed as of the withdrawal date. Any payment period in which less than 60% of scheduled hours was completed, the school can only retain

the exact percentage of aid earned and must refund the remaining amount. If 60% or greater of scheduled hours was completed of a payment period, the school is entitled to retain 100% of the aid received. From time to time this Federally required calculation results in the student also refunding aid money. Should that occur, the student would be notified by the school in writing.

Federal Regulations require the return of Title IV funds in the following order, if applicable: Unsubsidized loans, Subsidized loans, Perkins loans, Plus loans, Pell Grants, SEOG or other Title IV, within forty-five (45) days from the date of determination. In the case of a leave of absence, the date of determination will become the date of documented return from the leave. Under the Federal Regulations, once the Return of Title IV Funds policy has been applied, the school may then apply their Institutional Refund Policy (*printed on the back of their contract*) and charge for unpaid portions of their schooling. The student must understand that if he or she withdraws, school charges that were previously paid by FSA funds might become a debit that the student will be responsible for paying under the Institutional Withdrawal, Cancellation and Refund Policy.

INSTITUTIONAL WITHDRAWAL, CANCELLATION AND REFUND POLICY

This policy is written in accordance with the requirements mandated by the Florida Commission for Independent Education and the National Accrediting Commission of Career Arts and Sciences. When items of major expenses are separately identified for this purpose, the school also states its policy for reasonable settlement of such charges in the event of an early termination.

SCHOLARSHIPS

Corporate and Industry Scholarships are available periodically throughout the year, depending on their current funding. See Financial Aid counselors for details to qualify and/or apply. Any scholarships that International Academy might make available are available to all students, in all programs, whether they are Title IV qualified or a Non-Title IV student.

SECTION V: Career Planning

CAREERS IN: COSMETOLOGY, BARBER, NAILS, SKIN CARE, ADVANCED MAKEUP & MASSAGE THERAPY

BEFORE ENROLLING PLEASE READ THE FOLLOWING CAREFULLY.

NATURE OF THE WORK, WORKING CONDITIONS AND PHYSICAL REQUIREMENTS

Cosmetology: Advise patrons on how to care for their hair. Frequently, they straighten, permanent wave or cut a patron's hair to keep the style in shape. Cosmetologists may also lighten or darken the color of the hair and may give manicures, pedicures, scalp and facial treatments; provide make-up analysis for women; and clean and style wigs and hairpieces. **Barber:** Advise patrons on how to care for their hair. Although Barbers have the capability to straighten, perm, tint the hair or handle hairpieces, most often a barber is frequented for haircutting and shaving. **Nail Technicians:** Advise patrons on how to care for their nails. They give manicures, pedicures, apply artificial nails and apply/create nail art. **Skin Care:** Advise patrons on how to care for their skin. Frequently, they give facials with or without machines, groom patrons by waxing, and apply makeup and expand the basic makeup knowledge that is part of the esthetics training to include professional airbrushing application for: Specialty Makeup and Special FX, opening up the fields to bridal, runway, mortuary or theatrical work, as well as studio photography work, and to broaden the estheticians skill level to include the art of micro pigmentation, otherwise known as permanent makeup or cosmetic tattooing, giving them an opening into the para-medical fields. Often Skin Care Specialists work in Day Spas and need an understanding of Hydrotherapy services and body treatments. **Massage Therapists:** Need a complete working knowledge of Anatomy & Physiology and body mechanics. They work with individual patrons on a need by need basis for either relaxation massage, therapeutic massage purposes, massage for muscle or joint pain relief, or massage for site injury. Massage Therapist often work in the Day Spa industry and need a knowledge of Hydrotherapy treatments. All six professions make appointments and keep records of their patrons, i.e., hair color, skin or nail conditions, health/medical conditions or areas attended during a massage, etc. They also keep their work areas clean and sanitized, as [well as sanitizing all implements, towels and sheets that may have been used during a service. Those who operate their own salons also have managerial duties which include hiring and supervising workers, keeping records, and ordering supplies.

All five professions generally work in clean, pleasant surroundings, with good lighting and comfortable temperatures. Their work can be arduous and physically demanding because most must be on their feet for long hours at a time and all must work with their hands, often times at shoulder level. Many of the professions work more than 40 hours a week, including evenings and weekends when beauty salons, barber shops and spas are at their busiest. Persons who want to become cosmetologists, barbers, nail technicians, skin care specialists, makeup artists or massage therapists must have finger and wrist dexterity, range of motion for their arms and backs and in several of the professions a sense of form and artistry. All should enjoy dealing with the public and be willing and able to follow patrons' instructions. Because the beauty industry is constantly changing, keeping abreast of the latest fashions, makeup, colors and beauty/cutting techniques, or current massage modalities, is a must. Business skills are important for those who plan to operate their own salons. **Safety requirements/ awareness** for those interested in the programs of cosmetology, barber, nail technology; and skin care/makeup: be aware that they handle sharp objects (*scissors, razors, nippers, tweezers, needles, etc.*) and need to take care not to cut themselves or their clients; all tools must be sanitized and sterilized after every use due to blood borne diseases or disposed of in the proper containers; electrical devices are used in all seven professions, this includes massage therapy and caution needs to be taken when handling electrical devices around water, electrical cords should be checked to make sure they are not lose or frayed, nor kinked and are in

good working order to prevent electrical shocks; HIV and Blood Borne pathogen awareness must be completed for all programs.

JOB PLACEMENT POLICY

International Academy has an excellent placement record for its graduates. (*See “Outcomes Assessment” section of this catalog.*) Due to the ever increasing dollars spent in the beauty industry, our graduates have excellent opportunities to obtain a position in the field in which they are training, if they are highly motivated, and are ready to seriously work towards learning their chosen profession. No school, however, can absolutely guarantee employment. This depends entirely upon each student. All inquiries from area salons needing stylists, barbers, nail technicians, spa technicians, makeup artists, massage therapists or skin care specialists, are posted on a Job Placement Bulletin Board located in the Alexis Building next to the time clock and kept on file by the Education Coordinator. All students nearing graduation from their program are encouraged to seek help from our Education Coordinator in assisting them in securing a professionally written resume and for assistance on job interviewing and how to dress for success.

ADVISING OF STUDENTS

Appointments can be scheduled on any school day by students with the Administrative staff, Education Coordinator and/or Instructing personnel who are in need of academic advisement, attendance advise, financial aid, etc., in planning and completing their educational program. Students are encouraged to seek advice with proper personnel if a problem exists that needs attention, whether in the classroom, with another student, personal, etc. During advisory sessions such things are discussed as hours, services, tuition, attendance, tardiness, attitude, job desires and any problems which the student may be having in school.

SECTION VI: Academy Policies

ACADEMY CLOSURE DUE TO AN EMERGENCY

In the event the Academy needs to be closed due to an Emergency regarding hurricane, flooding, fire, etc., a notice will be placed on the door and on schools website (*and if possible, notified by an alternate source, i.e.: tv, newspaper, radio, text message or posted at the academy driveway entrance*) giving staff and students necessary safety response information, as well as notification of reopening information. A number that they can call for more information will also be provided. Furthermore, an emergency announcement will be placed on the schools automated phone system, if the system is accessible. All student and client data in our computer systems is backed up regularly and taken off site and kept in a secure location.

EMERGENCY RESPONSE & EVACUATION PROCEDURES

Federal Regulations require that the institution have in place a policy and procedure that describes how the institution will immediately notify the campus community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or staff occurring on the campus, unless said notification compromises efforts to contain the emergency.

Upon acceptance to this institution, the required policy and procedures will be made available in a student handbook to each student on the day of Orientation. Should an immediate threat to the health or safety of students or staff occur on campus, the institution's Administrative Staff will handle all necessary campus notification, without delay, and will initiate the notification system located on our website. Phone systems with availability to call 911 are in all classrooms, and both buildings have complete fire, sprinkler and burglary alarm systems in place for student and faculty safety. A PA system is also in both buildings. A test of these systems will occur periodically, with or without notice, but at least once annually.

WEAPONS ON CAMPUS

International Academy has a zero tolerance regarding weapons on campus. No knives, guns (*pistols or rifles*), bomb materials, bow & arrows, bazookas, tasers, stun guns, fireworks or anything that could be deemed a weapon by legal authorities (*ATF, local Police, etc.*) are permitted on campus (*campus is defined as parking lot and buildings*). Violation of this rule will result in immediate termination and notification to the appropriate authorities. Any student, faculty or staff members who sees or hears of anyone on campus with a weapon is urged to notify the Administrative offices immediately.

HATE CRIME REPORTING

The current federal regulations require institutions to report as hate crimes any occurrence of criminal homicide, sex offenses, robbery, aggravated assault, burglary, motor vehicle theft, arson, larceny-theft, simple assault, intimidation, (*bullying*) destruction, damage, or vandalism of property and any other crime involving bodily injury to be reported to local law enforcement agencies that manifests evidence that the victim was intentionally selected because of the perpetrator's bias. Students are encouraged to report crimes that fall into this category to your instructor or directly to the Administration as soon as possible. All faculty and staff hearing of any such crimes are to report them immediately to Administration.

FERPA (*Student's Rights and Privacy Act*) & SAFEGUARDING CUSTOMERS

INFORMATION POLICY AND RED FLAGS RULE

The Family Educational Rights and Privacy Act (*FERPA*), gives a student (*or in the case of a dependent minor, his/her parents or legal guardian*), certain rights with respect to their education records. These rights include: **1)** to gain access to their education records under the supervision of an administrative staff member, by appointment. Appointments will be set in a timely manner, but no longer than 45 days from the written request. The written request should identify the record(s) the student and/or parent/guardian wishes to inspect. **2)** The right to request the amendment of the student's education records that the student feels may believe to be inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. The request to amend should be in writing. The school will notify student of their decision to amend or deny, and this notice will be in writing, giving student procedures on how to appeal. **3)** If a copy of their file is

requested it will be at a charge of twenty cents per copy. If the requested information or file must be mailed, an additional postage charge will be applied and the information will be mailed in a timely manner, not to exceed 14 days. **4)** The school will not release any educational or non-public personal information to third party's unless it is authorized by the student in written consent, a copy of which will be kept on file. A student's written consent must be made for each third-party request. To prevent identity theft, a student's non-public personal information, (*information which is not publicly available; such as name, address, social security number, financial institution, account numbers, enrollment application info, etc.*), are maintained in locking files, and available only to authorized personnel. **5)** Student has the right to file a complaint with the United States Department of Education concerning any alleged failures by the school to comply with the requirements of FERPA. Written complaints are sent to: Family Policy Compliance Office, USDE, 400 Maryland Ave., SW, Washington, DC 20202-5901. **6)** Students are not permitted to inspect the financial records of their parents. **7)** The school will permit access to student and other school records as required for: any accreditation process initiated by the institution, federal or state agencies, audits, by NACCAS, or in response to a directive of the Commission for Independent Education or law enforcement.

Students who have graduated or dropped may request and receive an Official Transcript of their program, hours, grades and services, as long as they do not owe the school any money. Any graduate or drop student who still owes the school money will only receive an Unofficial Transcript (*without school seal or signature*) and a notation will be placed on the transcript stating that the student owes money to the school.

Furthermore, although the school is in a low risk category (*per the Red Flag Rules*) the school annually reviews its policies for safeguarding information. The school does not publish student directory information. Should it be considered in the future, it would not be done without allowing the student or guardian the right to deny authorization to publish. Student files are kept in an upstairs Administrative Office that has a sprinkler system in case of fire, and maintained in lockable, heavy gauge metal file cabinets. The computers that hold student information is backed up weekly and kept off site. Archived files are kept in file cabinets in a file room and periodically scanned to a storage computer and then shredded. Students enrollment, academic and attendance records will be kept permanently by the school (*scanned to a storage computer*), and financial aid records for only three (3) years. Personal information from a student's file that is no longer needed is shredded to prevent identity theft. All business files are kept for seven (7) years per standard business/accounting practices.

COPYRIGHT INFRINGEMENT POLICY

It is the policy of International Academy to comply with all copyright laws. This includes, but is not limited to, copying manuals, workbooks, textbooks, periodicals, or peer to peer file sharing. All students and employees are to be aware of and follow these laws. Any member of this institution practicing unauthorized use or distribution of copyrighted materials will be subject to sanctions by this institution, up to and including dismissal from school, or termination of employment. Furthermore, violators would also be subject to Federal criminal offense for copyright law violations.

INTERNAL COMPLAINT/GRIEVANCE PROCESS POLICY

Any student or staff complaint/grievance should be in writing and will be directed to the Administrative Offices. (*See Administrative Offices for detailed policy on filing and form.*) The complaint/grievance will be reviewed by the Administration in a timely manner (*in accordance with the detailed policy*) and resolved to benefit all parties involved. If all parties are not in agreement, then a copy of the complaint should be mailed by the student or staff member to our licensing agency: Commission for Independent Education, Florida Department of Education, (*additional information regarding this institution may be obtained by contacting the Commission at 325 West Gaines Street, Suite 1414, Tallahassee, Florida 32399-0400, (888) 224-6684.*

ATTENDANCE POLICY

The school's policy regarding attendance is applied uniformly and fairly. The school is a clock hour school and gives appropriate attendance credit for all hours attended. The school does not add or deduct attendance hours as a penalty and does not round actual hours. If you are unable to attend school, you are required to notify the school EACH DAY you will be absent. *Please call the Registrar's office at 386-767- 4600 ext. 227.*

Friday Attendance: Is Mandatory for All Students. This is typically the busiest day for Clinic Services. Friday absence may lead to a 2-day as stated in the Student's contract suspension from school and result in makeup hours being required.

Excused Absence: Absence(s) is/are excused **only** when Student submits documentation for the reason, they missed school. This documentation will be used for the Authorization form. *Even when absence(s) is/are excused, Students are required to make up all missed hours. This is a clock hour school and the State of Florida requires specific proof of Supervised Instruction for each program.*

Unexcused Absence: A Student **cannot** miss more than 14 consecutive *unexcused* absences. Any Student with 14 (or more) consecutive *unexcused* absences may be withdrawn from Enrollment. Continual stretches of unexcused absences broken by short periods of attendance may result in a loss of Financial Aid and/or termination from school.

Make-up Hours Due to Absences: Hours missed due to absences and being late must be made up by the Student's Contracted graduation date. Failure to make up the hours by the Contracted graduation date may result in additional charges, as indicated in the Student's Enrollment Agreement and is not covered by Financial Aid. Make-up hours *must be pre-authorized* with Administration and your Program Instructor. Pre-Authorization will be designated for a specific number of hours on specific days of the week. Please see the Registrar if you have missed time to gain proper approval.

NOTE: Federal Regulations stipulate that a Student will lose their financial aid if he/she does not maintain a minimum 67% attendance as outlined in his/her contractual agreement. Excused absences are strictly for satisfactory progress only. Students should read the Satisfactory Academic Progress Policy located in the Consumer Information Handbook and the school Catalog for further clarification. Students with Financial Aid have at a maximum "150%" of their program scheduled hours to complete their program, or the student will lose their Financial Aid. Example: 1200-hour Cosmetology program student has 1800 scheduled hours to complete 1200 actual hours or a loss of Financial Aid will occur.

LATE ARRIVAL/TARDY POLICY

School begins promptly at 8:30 a.m. for day students and 5:00 p.m. for night students. Students reporting to school after 8:45 a.m. for day sessions, and 5:15 p.m. for night sessions, are considered late/tardy, and must report to administrative office to be clocked in and receive tardy slip. Any student arriving late must wait for the first-class break to enter class unless approved by your instructor. *Students who will be late/tardy are required to contact Attendance: 386-767-4600, ext. 227, prior to their scheduled class start time.* Tardiness will affect your "contracted graduation date" over time and may result in make-up hours or extra institutional charges as stated on the Enrollment Agreement.

VA ATTENDANCE POLICY & STANDARDS OF ACADEMIC PROGRESS

Excused absences will be granted for extenuating circumstances only. Excused absences will be substantiated by entries in students' files. Early departures, class cuts, tardies, etc., for any portion of an hour will be counted as a full hour of absence. Students exceeding three (3) days unexcused absences in a "calendar month" WILL BE TERMINATED from their VA benefits for unsatisfactory attendance. Students receiving VA educational benefits must maintain a minimum GPA of 80% each evaluation period. The length of an evaluation period varies with each program. *(See page 34-39, Satisfactory Progress Policy.)* A VA student whose GPA falls below 80% at the end of any evaluation period will be placed on academic probation for a maximum of two consecutive evaluation periods of enrollment. If the VA student's GPA is still below 80% at the end of the second consecutive period of probation, the student's VA educational benefits will be terminated. A VA student may petition the school to be recertified after attaining a GPA of 80%. A Leave of absence is NOT permitted for VA Students.

VOTER REGISTRATION

In the United States voter registration is the right and responsibility of all people. Approximately 70% of all Americans who are eligible to vote have actually registered. Register today and start exercising your civil right to make a difference. **STAND UP AND BE COUNTED - MAKE A DIFFERENCE.** To register contact your county Supervisor of Elections Office.

SCHOOL RULES & REGULATIONS

During the time of your enrollment, these rules, responsibilities, policies and procedures may be subject to change.

STUDENT CONDUCT

Students are expected to conduct themselves in a courteous, respectful and professional manner and observe school rules at all times. This extends to treating all Classmates, Instructors and Staff with courtesy and respect. Profanity will not be tolerated anywhere on the school premises. If a first time student or previously enrolled student is dismissed or terminated from school for any reason other than fighting, weapons violation or drugs or withdraws on their own, at the schools discretion, the school may not consider the student for re-enrollment or returning to school for a minimum period of 6 months.

EQUIPMENT AND SCHOOL PROPERTY

Students are responsible for properly maintaining, sanitizing and storing their tools and equipment. It is imperative that a Student arrives with *all* of the tools needed to perform all services as outlined in their course of study, or they will be sent home. Misuse of another person's belongs or use of items without permission will not be tolerated. Theft of property will result in termination from school. Additionally, students are required to properly maintain school property, including but not limited to furniture, computers, restrooms, break rooms, and classrooms.

STUDENT LOCKER

Each student is assigned a locker with a built-in combination lock during the first week of school (*should a locker shortage occur, no more than two students will share a locker*). No deposit is required. Lockers should be used to store books and supplies. Also, valuables should be stored in a safe place. Students are not permitted to leave any of their tools or supplies in classrooms or clinic service areas or with an Instructor or Staff member. International Academy and its Employees are not responsible for lost or stolen items.

Each student will be required to maintain his or her locker in good repair while enrolled at International Academy. Should damage occur, the student will receive an itemized statement of costs to repair. No graduation or licensing paperwork will be completed until any locker damage charges have been paid in full. International Academy reserves the right to enter any student's locker with or without the student's permission should the school deem it necessary. Students are discouraged from sharing or trading lockers. To do so means the students run the risk of having their locker cleaned out by accident when one of the sharing/trading students drops or graduates.

FOOD AND DRINK

In order to maintain a clean, professional environment for Students, Staff and Guests, food and beverages are NOT permitted in classrooms or clinic service areas. *Only customers are permitted to bring food and/or drink on/in the clinic services areas.* Students are welcome to utilize the Student lounges or outside picnic tables for eating. Students using the lounge or outside tables are responsible for maintaining the cleanliness of these areas. Fresh breath is important because we work very closely with our Clients. However, gum chewing is discouraged. Should you choose to chew gum, please be discreet. Do not blow bubbles or smack your gum. Throw your gum into a trash can, not on the floor or ground nor stick it under a counter or desk, etc.

SMOKING

Smoking or Vaping is prohibited inside the Academy at all times. Be clean and courteous with your smoking. Do not leave cigarette or cigar butts on the ground. Ashtrays are furnished for proper disposal.

DRUG ABUSE, ALCOHOL ABUSE, VAPING & HUFFING POLICY

International Academy has a zero tolerance for any drug, alcohol, vaping or huffing abuse on campus. Campus is defined as buildings or parking lot. Any student or staff caught under the influence, or with drug paraphernalia will be subject to immediate termination. International Academy has Drug and Alcohol Abuse Prevention Program information and organizations available for any student and/or staff member who should have a need. Administration is available to any student/staff member, if a problem exists and all

conferences will be kept confidential. See Admissions or Administration for complete Drug, Alcohol, Vaping & Huffing Abuse Policy and agency information.

CELL PHONES

We understand the need to have cell phones. However, cell phones must be set to vibrate or silent mode during class and while in clinic service areas. Students are permitted to check for messages and return phone calls during breaks and lunch break but NOT while in the clinic or the classroom.
